Fiscal Year 2002

Note: See Appendices A and F for explanation of the immigrant visa categories used in this table.

In addition to the 366,041 numbers used for visa issuances or INS adjustments of status, 30 family preference numbers were charged for children admitted under INA 211(a) accompanying parents with family preference visas and 18 employment preference numbers were charged for children admitted under INA 211(a) accompanying parents with employment preference visas.

In accordance with INA 203(b)(6), the 46 special immigrants who were issued visas or adjusted status during FY–2001 under INA 101(a)(27)(K) (certain U.S. armed forces personnel) were charged against the FY–2002 employment preference limit; the first preference was reduced by 16, and each of the second and third preferences was reduced by 15. FY–2002 per-country limits were reduced by the amount specified to compensate for such immigrants: Japan 1, and Philippines 45. For the Philippines chargeability, which was subject to the prorating provisions of INA 202(e), the reduction in the per-country limit was accomplished under the law as follows: each of the employment first, second and third preferences was reduced by 15.

The Nicaraguan Adjustment and Central American Relief Act (NACARA) of 1997 (Pub. L. 105–100 enacted November 19, 1997) provides that once the Employment Third Preference Other Worker (EW) cut-off date has reached the priority date of the latest EW petition approved prior to November 19, 1997, the EW annual limit is to be reduced from 10,000 to 5,000 numbers beginning the following fiscal year. This reduction is to be made for as long as necessary to offset adjustments under the NACARA program. Since the EW cut-off date reached November 19, 1997 during Fiscal Year 2001, the EW annual limit is reduced to 5,000 beginning in Fiscal Year 2002. (See Appendix E.)

In accordance with Section 2(d) of the Chinese Student Protection Act of 1992 (Pub. L. 102–404), beginning with FY–1993, the China–mainland born limit will be reduced by 1,000 per fiscal year to compensate for issuances under that legislation. (See Appendix C.)

Numbers assigned to issued visas that are not used are recaptured in accordance with Section 206 of the INA and can be used again for the issuance of other visas. Therefore, the total number of visas issued and adjustments of status may exceed a specified limitation.

For number use in the Diversity (DV) category, see Table VII.

¹ East Timor voted for independence from Indonesia in an August 30, 1999 referendum and was under the authority of the United Nations Transitional Administration in East Timor (UNTAET) until May 20, 2002. On May 20, 2002, East Timor became an independent nation; on that date, the United States Government established diplomatic relations with East Timor. As a result, a separate immigrant visa chargeability was established for East Timor.
